

SIIA Announces Learning A-Z and ExploreLearning as Finalists for 2017 CODiE Awards

DALLAS – June 22, 2017 – Cambium Learning Group, Inc. (NASDAQ:ABCD) a leading educational solutions and services company dedicated to helping all students reach their full potential, announced today that two of its businesses, Learning A-Z and ExploreLearning, are finalists for the Software and Information Industry Association (SIIA) 2017 CODiE Awards, which recognize top education technology solutions.

"As one of the only peer-reviewed awards in our industry, the CODiE recognizes excellence in education software," said John Campbell, chief executive officer of Cambium Learning Group. "The fact that two of our companies are represented as finalists indicates that Cambium is fulfilling its mission of using technology to enhance instruction and help educators and students in new and innovative ways."

The Software and Information Industry Association has chosen four Cambium Learning products as CODiE Award finalists: three Learning A-Z products and one ExploreLearning product.

Learning A-Z

Raz-Plus: Best Reading/English/Language Arts Instructional Solution

Raz-Plus provides flexible, leveled PreK–5+ reading resources. From eBooks with interactive reading tools to projectable passages and group activities like Project-Based Learning Packs, Raz-Plus has everything students need to practice and apply critical literacy skills.

Headsprout: Best Reading/English/Language Arts Instructional Solution

Headsprout is an ideal learning solution for students at all levels because its adaptive, individualized program structure responds to student needs and provides well-rounded supports for building students' comprehension skills and reading confidence.

Raz-Kids: Best Solution for Special Needs Students

Raz-Kids empowers teachers to differentiate instruction for special needs students through hundreds of interactive, leveled eBooks spanning 29 levels of difficulty and covering a wide range of high-interest topics.

ExploreLearning

ExploreLearning Reflex: Best Game-Based Curriculum Solution

Adaptive and individualized, Reflex is the most effective system for mastering basic facts in addition, subtraction, multiplication and division. Through a variety of exciting, fast-paced games that require answering math facts to succeed, students quickly build math fact fluency.

All nominated CODiE Award education technology products and services were reviewed by tech-savvy educators from across the nation, as well as SIIA members to determine the best in each category.
